Re: *Stifel, Nicolaus & Company, Inc., v. Inivata Ltd.*, 21-cv-4211 (VEC)

Dear Judge Caproni:

I write on behalf of Defendant Inivata Ltd. to respectfully request a brief adjournment of the Initial Pretrial Conference in this matter. The conference is currently scheduled for June 25, 2021, at 2:00 p.m. under the Notice of Initial Pretrial Conference (Doc. 5).

Inivata's response to the complaint is currently due July 19, 2021. Inivata does not seek to extend this deadline, and it does not believe that the requested adjournment of the pretrial conference will prejudice Plaintiff or delay the progress of this litigation.

Inivata makes this request to enable it to fully evaluate the claims against it and because it is nearing completion of its pending acquisition by NeoGenomics, Inc. Inivata anticipates this change-of-control transaction will close later this month, at which time new decision-makers will control Inivata. The requested adjournment will provide time to complete the acquisition and for Inivata's new leadership to consult with counsel regarding this litigation. There have been no prior requests for adjournments or extensions of time in this matter. Inivata consulted with Plaintiff's counsel regarding this request, and he responded that Plaintiff did not consent in the absence of an agreement on the terms of a case management order.

Inivata has also consulted with Plaintiff's counsel regarding alternate dates pursuant to your Individual Practices and proposes that the Initial Pretrial Conference be adjourned to any Friday in July or August except July 16 or August 13: July 2, 9, 23, or 30 or August 6, 20, or 27, with a corresponding letter deadline approximately one week prior to the conference.

Sincerely,

ROBINSON, BRADSHAW & HINSON, P.A.

Adam K. Doerr
